Hi Brian and Asja –

Thanks for confirming the recycling plant visit this week. I will be shipping the sampling kit directly to the plant today, for arrival tomorrow in advance of your Wednesday visit.

Regarding the [Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]] I spoke with ATSDR this morning. They have not yet been able to secure a written agreement with the field owners yet, but they are still trying. If they end up agreeing, we think that the schedule would probably be in early November. Sorry we can't be more specific right now.

I also wanted to ask everyone if we have the capacity to collect samples at one more field, in [Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]] I don't have the city name yet, and this also has not been turned into a written agreement yet. But, if we could do this one, it might help keep the sampling from going too far into November. ATSDR has its hands full trying to get to multiple, not easy to get to fields around the country, so this would help out. But, if the answer is no then that is what we will tell them.

We certainly appreciate the effort that Brian and Asja are putting in, and we don't want to over-burden them.

Thanks,
Kent

Dear Annette and Kent,

We have confirmed [Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]] for Wed. 10-19 between 8-10 a.m. We were wondering if you have written approval for our last sampling site (outdoor field in [Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]]) as well as tentative sampling dates?

Thanks,
Brian and Asja

Just got our schedule arranged for the 19th so let me know if there is any change of plans on your end. Otherwise, we will look forward to meeting your people between 8 and 10 on Wednesday, the 19th. Will there be one or two folks coming?

Thanks for your help. Will they be driving up from KC or coming from Omaha? [Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]]
